Secretary - Sean Healy

Dear County Mosquito Control Agency,

As you are aware by now, at this year's NJMCA Annual Meeting, we are trying to get as many individual counties as possible to participate as a non-profit exhibitor. We are urging everyone to set up a table and display what they use when they do presentations at local schools and other events. It would be interesting and beneficial for all of us to see each other's displays and fine-tune our own displays.

Another advantage of signing up as a non-profit is that a registration is included for the meeting. It would be a great way to get one of your inspectors or another employee at the meeting, without having to ask your administration.

The Nonprofit Exhibitors were a big success last year, and we hope to continue this tradition for many more years to come. Please help us in this endeavor.

Sincerely,

Mark Vlazny

Exhibitors Registration Form
